A CALL FOR SUPPORT “A LITTLE TASTE OF HOME” FOR OUR TROOPS AFGHANISTAN

What Is Operation H.O.T.? Our mission is to entertain some of the finest troops in the world with some of the best talent in the world while bringing them a taste of home with a Cajun Creole meal.

Who Is On The Team? Joanne King Herring (Charlie Wilson 's War), Chef Rick Moonen, Chef Rick Tramonto, Chef Charles Carroll, Jay Leno Clone Marcel Forestieri, Comedy Imaginator Eric Buss, Comedy Hypnotist Boris Chernaik, Mysterious Ways (U2 Tribute Band) and The 3 Waiters Performers. There is also a support team of six dedicated individuals.

The SHOW will open with an inspirational presentation. This will be followed by a live cooking show by acclaimed top chefs Rick Moonen and Rick Tramonto. Then an interview with Ms. Joanne King Herring who will share her life experience as depicted in the movie Charlie Wilson 's War and her continued mission of peace in Afghanistan. This will lead to internationally acclaimed hypnotist Boris Chernaik and a surprise performance by The Three Waiters, recognized world wide for their operatic and comedic performance. The show will also consist of our version of the Jay Leno “Tonight Show” by Marcel Forestieri. Marcel will introduce comedy imaginator Eric Buss. Then with a “taste of home”, the troops will be served a wonderful dinner prepared by award winning Chef John Folse and Company. We will then finish the evening off with an incredible performance by Mysterious Ways, Americas U2 Tribute band.

When and Where? We will be bring a “little taste of home” to the soldiers stationed in Northern Afghanistan. The date is set and confirmed for the summer of 2011. Details cannot be discussed due to the high profile of our team and security purposes.

The concept for Operation H.O.T. began 3 years ago with Chef John Folse and a retired General with the idea to travel to Afghanistan, feed and entertain the troops. The concept kept stalling. After originally being invited to the team, I decided this was now on my bucket list. Three years later our “Dream Team” is ready to go, and what a team we have.

THE DATE IS SET, PLANS ARE CONFIRMED AND THE TEAM IS READY! FINANCIAL SUPPORT IS ALL THAT'S LEFT. THIS IS YOUR OPPORTUNITY TO GIVE BACK TO THE TROOPS.

Why? The opportunity to give is special but the opportunity to bring this talented team to our troops is extraordinary. A tremendous way to help is by easing the hardships of separation from families and everything that is familiar to their hearts and minds. Bringing our soldiers just “a little taste of home” and an incredible show presented by a star studded cast, is just one way of showing our sincere gratitude for all the sacrifices they make for each one of us.

Thank you for your consideration.
